Rebeka Kotuláková

## SUMMARY

Business Information Systems graduate with hands-on experience in data analysis, digital tools, and process improvement from an internship at Boston Scientific. Skilled in Excel, Power BI, SAP, and web development. Strong background in time management, task prioritization, and adapting quickly in fast-paced settings. My 8 years in hospitality have shaped a service-driven mindset, now combined with a solid foundation in technology. Currently pursuing Level 8 of my studies, focusing on data analytics and technologies.

## EDUCATION

**Atlantic Technological University** (Galway-Ireland)

**Bachelor of Science in Business Information Systems**

Level 7 (Completed) 2022-2025

Level 8 (Starting) September 2025

Gained hands-on experience in data analytics, web development, systems design, and business process improvement—blending business insight with digital skills for a tech-driven career.

**Hotel Academy** 2017 - 2022 (Presov-Slovakia)

**Professional Diploma in Hotel Management and Hospitality**

Completed a 5-year vocational program in hospitality with practical training in hotel operations, tourism, and business, including real-world placement experience.

## PROFESSIONAL EXPERIENCE

**Co-Op to the Associate Production Planning Manager**

Boston Scientific, Galway | Jan 2025 - Aug 2025

- Supported the PCT and CSS Planning Team with data-driven planning and scheduling tasks across multiple product lines (Wolverine, 2CM, Express LD).
- Gained hands-on experience with tools such as Rapid Response (RR), Resource Planning System (RPS), SAP, and Qlik apps.
- Created and maintained build plans and production schedules, ensuring alignment with resource availability and demand.
- Identified and prevented planning errors before execution, helping avoid production delays and improving overall efficiency.
- Recognized by management for outstanding performance
- Contributed to a collaborative and inclusive team culture

**Food and Beverage Assistant**

Knock House Hotel, Ireland | 2022 - 2024

- Led daily operations, managing service, and customer interactions.
- Trained and supervised staff, improving workflow and team performance.
- Handled large groups and resolved complaints to ensure high service standards.
- Streamlined processes and coordinated with kitchen and bar teams.
- Recognized for adaptability, communication, and delivering practical solutions.

**Dance and Choreography Instructor and Event Coordinator**

Art Studio S.O.M One, Slovakia | 2018 - 2022

- Led classes and events, managing large groups with confidence.
- Organized performances and competitions with strong participant engagement.
- Trained and mentored students, showing adaptability and leadership.
- Recognized for clear communication and calm under pressure.

## PROJECTS

**Award-Winning Recipe Website - Best Project of 2024**

Atlantic Technological University, Galway | February 2024 - April 2024

- Developed a visually striking, highly functional recipe website that won Best Project of 2024 at ATU Galway.
- Key features included a search bar, dropdown menu, portion counter, animations, social media buttons, rating system, and video section.
- Demonstrated advanced web development skills and creativity.

**Wealth Wise - Personal Finance Platform**

- Built a modern web platform based on an Excel to manage finances.
- Key Features: Excel integration, spending and savings tracking, financial goal monitoring, and data visualization.
- Achievements: Achieved a 30% reduction in personal expenses and data structuring skills.

**Excel-Based Data Management Tool**

- Designed a comprehensive database categorizing recipes, incorporating advanced formulas for efficient search by ingredients.
